What is your favourite animal?

What is your favourite colour?

What is your favourite food?

What is your favourite toy?

What is your favourite television programme?

What is your favourite story?

Where would you like to go on a flying carpet?

What superpower would you like to have?

What would you wish for, if you had a magic lamp?

What animal would you like to be?

What makes you happy?

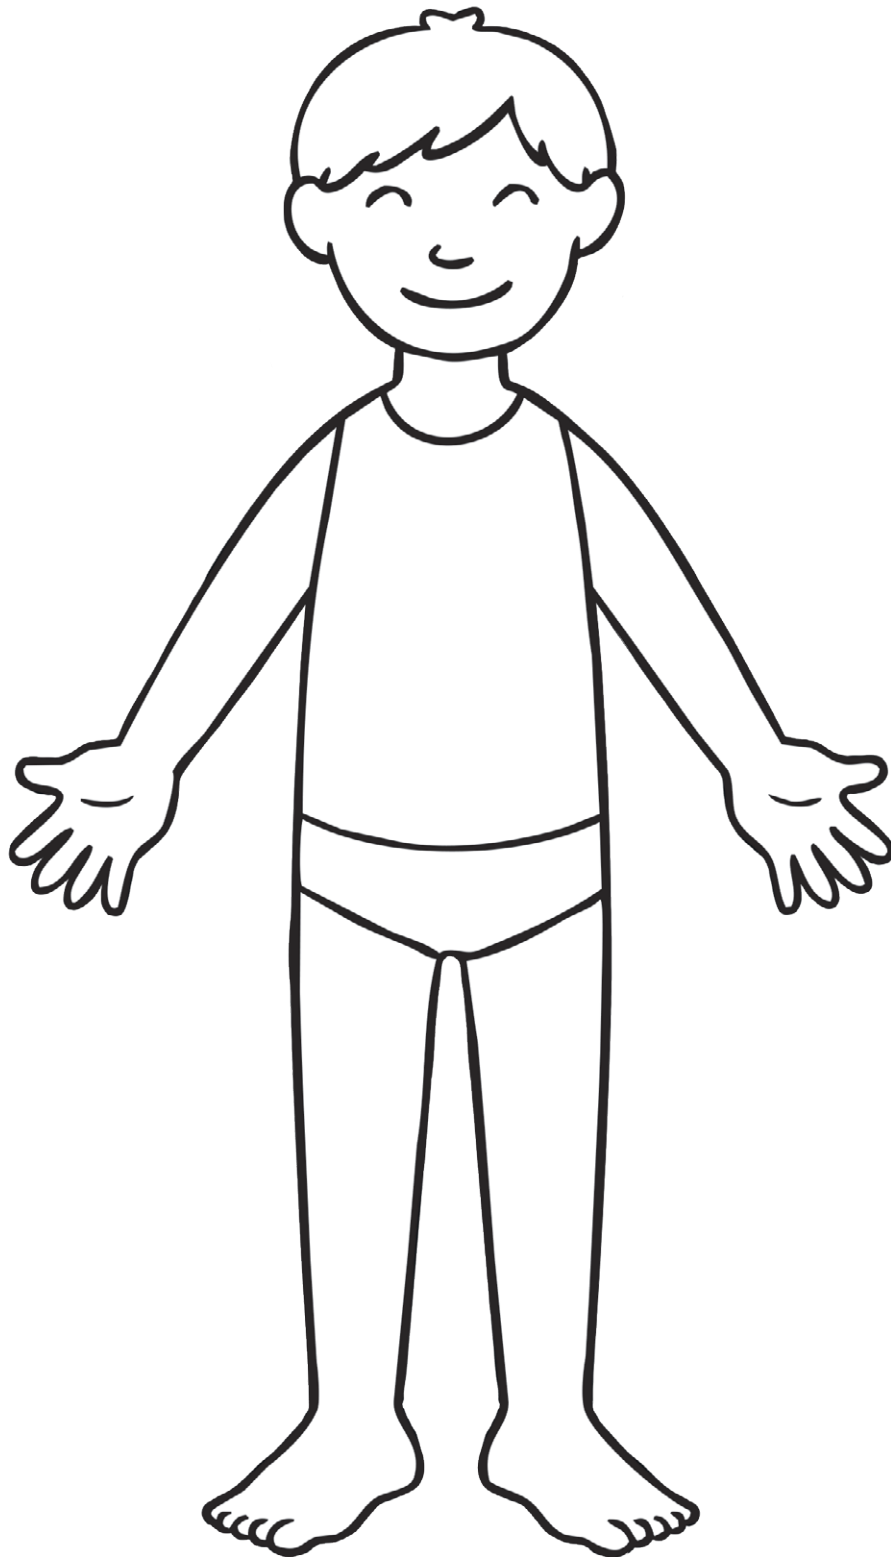

What would you like to be when you grow up?
