

Grange Primary PTA General Data Protection Regulation ("GDPR") comes into effect on 25th May 2018. To ensure that the PTA complies with these new regulations we have taken steps to review our email and marketing policies.

Grange Primary PTA do not hold parents contact details on file as regular newsletters are only sent out via book bags to parents. All newsletters are generic and contain no personal details.

A tick box is included on new intake letters to seek specific consent to receive Pta communications. This covers all text messages that the office send out on behalf of the PTA regarding events including uniform sale, freezer pop sale and various reminders.

All Emails including minutes from PTA meetings and AGM to be sent via school office so that email addresses are not visible to recipients. If this is not possible then they will be sent using BCC.

Movie nights, the PTA only asks for child's name and class, this is stored on a password protected spreadsheet and both consent forms and spreadsheet are destroyed 7 days after the event.

50:50 All parents are invited to join 50:50 draw via a generic letter in the book bags. On acceptance then parents are only contacted to confirm their number and if they have won at all throughout the year. The contact details are stored on a password protected spreadsheet and a paper copy in the school office.

Purchasing forms e.g. shopping bags, Christmas cards etc – when parents provide contact details specifically for an order then these details are all shredded once all orders are complete.

Facebook, parents have requested to join this group and are responsible for their own privacy settings of their Facebook accounts.

Grange Primary PTA do not share your details with any third party without your permission.
