

Location, Location, Location

Curriculum project homework ideas – be as creative as you like. Have fun!

Once you have completed your homework, take a photo and upload it to Class Dojo.

Make a time capsule and fill it with significant objects and memorabilia of the present day. Can you explain why you have included what you have?

You do not need to bury your time capsule but you can if you wish to!

Look at the work of Hundertwasser and create drawings of some of our local buildings using a similar style. You could draw the school, a church, the fire station, your house or high street etc.

Think about the pros and cons of the place in which we live. What is good about it? How can it be improved? Create a list showing your ideas. If you wanted to get creative, you could record your ideas and send the video in.

Compose a rap about the local area. You can write your rap down as a set of lyrics or you could perform it.

If you could go back in time to any era, what time would you travel back to and why? Write your ideas down explaining your choices. You can lay it out how you wish.

Create a timeline of Britain (or another country of your choice) from either a certain era of time (e.g. Victorians) or an area of interest (e.g. wars, technology, monarchs) . Mark the key events, add dates and diagrams.
